

24th Annual Gemini Awards

Outstanding Technical Achievement Award

Award Nomination Form

Deadline: Thursday July 16, 2009

This award is presented on an annual basis to honour a recent worthy technical achievement in the Canadian television industry. Any device, method or invention of exceptional technical value used in the production, distribution or display and less than three years from initial implementation may be entered for this Special Award.

Consideration criteria include uniqueness, Canadian contribution, innovation, relevance and value to the industry. Nominations are received from members of the Academy and the industry at large. Recommendations should be sent to the Special Awards Committee, who will convene to recommend a winner. The recommendation will be passed on to the Board of Directors for approval.

Please provide the following information for the committee's consideration:

1. The name of the device, method or invention
2. Date of first private showing.
3. Date of actual television industry use.
4. Impact of this technical achievement on the industry.
5. Extent that the technical achievement has been accepted by the industry.
6. Patents (pending) considered for this achievement.
7. Please state why recognition should be received for this technical achievement.
8. Contact information for the submitter.
9. Contact information for the recipient.

Previous Outstanding Technical Achievement Award recipients include:

openGear Multi-Definition/Multi-Function Terminal Equipment Platform; Majestic, Canada's First Multi-Format High Definition Production Mobile Unit; Focusing Indicator System; CTV Content Gateway System; CBC's National Satellite DVC Project; SkyCable of Manitoba; Bell ExpressVu; Puppet Works and Beevision for their J-2000 Motion Capture Animation System; Alliance Broadcasting, an Alliance Communications company and Sony Canada Ltd. for their two-channel Sony VideoStore Master Control automation system.
